A knife fight is a violent physical confrontation between two or more combatants in which one or more participants is armed with a knife. A knife fight is defined by the presence of a knife as a weapon and the violent intent of the combatants to kill or incapacitate each other; the participants may be completely untrained, self-taught, or trained in one or more formal or informal systems of ...

Knife fight - Wikipedia

The emphasis of this educational reference is on words and phrases that appear in published works about war and military service; and amongst this jargon and slang, there is no pretense of objectivity or completeness, which may be readily found in official documents or government resources.

COMBAT MilTerms: M

Dougal: As dedicated as his comrades to the glory of the Griffin Empire, Dougal's loyalty is balanced with a strong dose of pragmatism. Believing that the best enemy is one that is dead before he can lay a hand on a Griffin soldier, Dougal has specialized for many years in the training and equipping of archers.
